ABOUT ME

Fourth-year Mechanical Engineering student with a strong passion for Frontend Web Development. Experienced in building modern, responsive web applications using React, Next.js, TypeScript, HTML, CSS, and JavaScript. I enjoy creating clean user interfaces, solving real-world problems, and continuously improving my development skills through personal projects. Currently seeking an internship or junior opportunity to gain professional experience and contribute to real-world software projects.

EDUCATION

University of Science and Technology Houari Boumediene (USTHB),
Bachelor's Degree in Mechanical Engineering (4th Year Student).
Sep 2023 - Present
